Private process is hereby requested.

JURISDICTION

- 3.01 The Court has jurisdiction over the causes of action because the amount in controversy is within the jurisdictional limits of this Court.
- 3.02 The Court has jurisdiction over Defendant, HOMECOMINGS FINANCIAL, L.L.C., and GMAC MORTGAGE, L.L.C., because these Defendants are corporations that engage in business in Houston, Harris County, Texas. Furthermore, the contract that was breached by Defendants was executed in Harris County, Texas, and the property Defendants attempted to foreclose on is located in Harris County, Texas. Plaintiff's causes of action and damages, or a substantial portion of same, all occurred in Houston, Harris County, Texas.

VENUE

- 4.01 Venue is proper in Houston, Harris County, Texas, in that the contract that was breached by Defendants was executed in Harris County, Texas, the property Defendants attempted to wrongfully foreclose upon is located in Harris County, Texas, and Plaintiff's causes of action and damages, or a substantial portion of same, all occurred in Houston, Harris County, Texas.

FACTS

- 5.01 This suit arises from a breach of an agreement by Defendants with Plaintiff pertaining to a modification of a home loan by and between Plaintiff and Defendant on Plaintiff's homestead located at 2301 West Lawther Lane, Deer Park, Texas, 77536. Defendant agreed to modify the loan as per the loan agreement signed by Plaintiff, attached hereto as Exhibit "A", and incorporated herein for all purposes. The origin of the modification was Defendant's misapplication of fees and wrongful charges of insurance on the property originating from a loan agreement originally signed by Plaintiff and Southtrust Mortgage in March of 2003 pertaining to the subject property. Upon information and belief, Southtrust sold the mortgage and loan to Defendants in approximately 2004.
- 5.02 Defendants agreed to the modification of the loan with Plaintiff, but failed to remove Plaintiff's ex-wife's name from the documents as promised. Plaintiff requested new documents, per a letter dated September 2, 2009, attached hereto and incorporated herein as Exhibit "B". Defendants also agreed to zero out the account balance once the new loan documents were received and signed. Plaintiff sent a check in the amount of \$3,025.00 per the instructions of Defendants' agent, Denise Jungen, for the October 2009 payment.
- 5.03 Another letter was sent to Defendants on September 18, 2009, regarding the misapplication of the payment by Defendants. Defendants' agent, Denise Jungen, responded via a letter dated September 24, 2009, reiterating certain credits, the modification agreement, and now stating that they could not send new loan documents, but could process the loan without Mr. Rode's ex-wife's name based on the Quitclaim Deed on file and in their possession. These documents are attached as Exhibit "C", and incorporated herein for all purposes.

- 5.04 On October 1, 2009, the loan agreement that was signed by Plaintiff was sent to Defendants. A request for a completely signed copy of the loan agreement was made by Plaintiff. Defendants ignored this request and never sent Plaintiff the signed agreement. Please see attached letter, Exhibit "D", and incorporated herein for all purposes.
- 5.05 On October 27, 2009, another letter was sent to Defendants requesting a completely signed agreement. The letter further reiterated that Plaintiff was ready, willing, and able to make the November 2009 payment, but pointed out that because of several "new" charges that appeared on the account, including a \$10,000.00 withdrawal out of escrow to "other", an explanation and accounting was needed to ensure that the payments made would be properly applied. Please see attached letter, Exhibit "E", and incorporated herein for all purposes. Defendant ignored Plaintiff's letter and request.
- 5.06 On October 30, 2009, another letter was sent to Defendant again reiterating the willingness to make the monthly payments, but would do so only with confirmation of the finalization of the modification agreement and proof or explanation that the payments would be properly applied. Please see attached letter, Exhibit "F".
- 5.07 Defendant completely ignored Plaintiff's requests, never sent Plaintiff the fully signed modification agreement as promised, never provided any explanation or accounting for the charges reflected on Plaintiff's account by Defendant as requested, and never gave any reason or explanation for their failure to perform.
- 5.06 On April 3, 2010, Plaintiff received a Notice of Substitute Trustee's sale indicating Defendant's intent to foreclose on Plaintiff's homestead property, with a Notice of Acceleration of Maturity demanding \$55,599.78 to cure the default. Attached as Exhibit

“G”, and incorporated herein for all purposes, are the Notice of Substitute Trustee’s Sale & Notice of Acceleration.

5.07 Once again, a letter was sent to Defendant on April 6, 2010, demanding the withdrawal of posting for foreclosure, and requesting that Defendants contact Plaintiff’s counsel regarding this wrongful attempted foreclosure, breach of contract, and misapplication of funds by Defendants. See the letter attached as Exhibit “H”, and incorporated herein for all purposes. Defendants ignored Plaintiff’s requests, as no such contact was received, nor have any letters been sent as promised in writing regarding the dispute of this account. Defendants have wrongfully applied sums paid by Plaintiff totaling in excess of \$24,000.00. Furthermore, Defendants have wrongfully sent erroneous information to the IRS and has reported to credit bureaus that Plaintiff has had a foreclosure on his home, which has caused additional damage to Plaintiff.

CAUSES OF ACTION

6.01 BREACH OF CONTRACT

Plaintiff herein alleges that Defendants have breached the agreement it had with Plaintiff, and has failed to perform as promised. Defendants are further the cause of Plaintiff not making the monthly mortgage payments, as Defendants have never provided the fully executed agreement as promised, nor have they provided any explanation or information regarding the charges that Defendant has wrongfully taken out of escrow. Defendants represented to Plaintiff that providing such information was part of the services offered by Defendants. Plaintiff has been ready, willing, and able to pay the monthly payments and abide by the agreement reached in September of 2009 so long as Defendants would properly apply the payments made and provide an explanation for the escrow funds that were taken by Defendants. Such breach of contract has caused Plaintiff damages

in excess of the minimum jurisdictional limits of the Court. Plaintiff further seeks benefit of the bargain damages and compliance with the agreement with Defendants, an accounting of all charges made on Plaintiff's account since September 1, 2009, and reasonable and necessary attorneys' fees and costs for such breach of contract by Defendant.

6.02 FRAUD IN THE INDUCEMENT

Defendants' conduct described above constitutes Fraud in the Inducement to Plaintiff. Plaintiff relied upon the representations that were made by Defendants, and such representations were material. Defendants knew that such representations were false, but made such representations with the intent that Plaintiff rely upon them. The promise of future performance by Defendants was made with an intent, at the time of those promises, to not perform as promised.

6.03 FRAUD

Defendants conduct described above constitutes fraud. Plaintiff relied upon the representations that were made by Defendants after such agreement, and such representations were material. Defendants knew that such representations were false, but made such representations with the intent that Plaintiff rely upon them. The promise of future performance by Defendants were made with an intent, at the time of those promises, to not perform as promised.

As a direct and proximate result of the foregoing fraudulent misrepresentations, Plaintiff has suffered damages, including attorneys fees, costs, expenses, and diminution of credit based on Defendant's actions.

6.04 NEGLIGENT MISREPRESENTATION

Defendants conduct described above from the time of the original representation to the present constitutes negligent misrepresentation. Such negligent misrepresentations directly and

proximately caused damages, including attorneys' fees, costs, expenses, and diminution of credit based on Defendant's actions.

6.05 DTPA

Plaintiff hereby brings a cause of action under Section 17.46 of the Texas Deceptive Trade Practices Act. Plaintiff is a consumer as defined by the Statute. Defendants engaged in false, misleading, or deceptive acts that Plaintiff relied upon to their detriment that was a producing cause of damages.

Defendants represented that the promised services and future services, yet the services provided did not have the quality or characteristics required to fulfill those promises and representations.

Defendants conduct constitutes an unconscionable course of conduct and practice that took advantage of Plaintiff to a grossly unfair degree.

Defendants conduct was committed knowingly with actual awareness at the time of the representations of the falsity, deception, or unfairness of their conduct. Such conduct entitles Plaintiff to treble damages, for which Plaintiff herein sues.

6.06 ACTUAL DAMAGES

Based on the conduct of Defendants, Plaintiff has suffered actual damages that exceed the minimum jurisdictional limits of this Court. Plaintiff herein sues for actual damages, all consequential damages, and benefit of the bargain damages that Plaintiff would have obtained had Defendants fulfilled their promises and representations. Plaintiff herein sues for mental anguish damages for the extreme worry, anguish and anxiety Defendants have caused by wrongfully attempting to foreclose of Plaintiff's homestead, with full knowledge of Plaintiff's offer of payment upon a proper accounting and a copy of the signed agreement between the parties.

6.07 EXEMPLARY DAMAGES

Plaintiff herein sues for exemplary damages for the intentional, fraudulent, and grossly negligent misrepresentations both prior to and after the modification agreement. Because of Defendants actual awareness of the falsity of their representations and false promises, exemplary damages in an amount to be determined by the trier of fact is justified.

7.00 ATTORNEYS FEES

Plaintiff is entitled to recover and herein sues for reasonable and necessary attorneys fees incurred in this cause.

CONDITIONS PRECEDENT

7.01 All conditions precedent to Plaintiff's claim for relief against Defendants have been performed or have occurred. All statutory notice provisions have been or will be given to Defendants.

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays that Defendants be cited to appear and answer herein, and upon final trial herein, he have a Judgment against Defendants for all causes of action and damages, both actual and exemplary, as well as attorney's fees, and such other and further relief, both general and special, to which Plaintiff may be justly entitled and for which he sues herein.

Respectfully submitted,

UZICK & ONCKEN, P.C.

FIXED RATE LOAN MODIFICATION AGREEMENT

This Loan Modification Agreement ("Agreement") made this October 1, 2009 ("Effective Date") between RICHARD D RODE · BARBARA RODE ("Borrower") and Homecomings Financial, LLC ("Lender"), amends and supplements that certain promissory note ("Note") dated March 18, 2003 in the original principal sum of Two Hundred Sixty Five Thousand One Hundred Seventy Five Dollars and No Cents (\$ 265,175.00) executed by Borrower. The Note is secured by a Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument"), dated the same date as the Note, and if applicable, recorded on with Instrument Number in Book and/or Page Number of the real property records of HARRIS County, TX. Said Security Instrument covers the real and personal property described in such Security Instrument (the "Property") located at 2301 WEST LAW THER LANE DEER PARK TX 77536, which real property is more particularly described as follows:

(Legal Description – Attach as Exhibit if Recording Agreement)

Borrower acknowledges that Lender is the legal holder and the owner of the Note and Security Instrument and further acknowledges that if Lender transfers the Note, as amended by this Agreement, the transferee shall be the "Lender" as defined in this Agreement.

Borrower has requested, and Lender has agreed, to extend or rearrange the time and manner of payment of the Note and to extend and carry forward the lien(s) on the Property whether or not created by the Security Instrument.

Now, therefore, in consideration of the mutual promises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. Borrower acknowledges that as of the Effective Date, the amount payable under the Note and secured by the Security Instrument (the "Principal Balance") is One Hundred Ninety Two Thousand Four Hundred Eighty Dollars and Eighty Four Cents (\$ 192,480.84). Borrower hereby renews and extends such indebtedness and promises to pay jointly and severally to the order of Lender the Principal Balance, consisting of the amount(s) loaned to Borrower by Lender and any accrued but unpaid interest capitalized to date.

2. Interest will be charged on the unpaid Principal Balance until the full amount of principal has been paid. Borrower will pay interest at the rate of 5.00000% per year from the Effective Date.

3. Borrower promises to make monthly principal and interest payments of \$ 2,320.25, beginning on November 1, 2009, and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on April 1, 2018 (the "Maturity Date"), Borrower still owes amounts under the Note and Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date. Borrower will make such payments at 3451 Hammond Avenue, Waterloo, IA 50702 or at such other place as Lender may require. The amounts indicated in this paragraph do not include any required escrow payments for items such

as hazard insurance or property taxes; if such escrow payments are required the monthly payments will be higher and may change as the amounts required for escrow items change.

4. If Lender has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, Borrower will pay a late charge to Lender. The amount of the charge will be the late charge percentage provided for in the Note multiplied by the overdue payment of principal and interest required under this Agreement. Borrower will pay this late charge promptly but only once on each late payment. The late charge is not in lieu of any other remedy of Lender, including any default remedy.

5. It is the intention of the parties that all liens and security interests described in the Security Instrument are hereby renewed and extended (if the Maturity Date of the original Note has been changed) until the indebtedness evidenced by the Note and this Agreement has been fully paid. Lender and Borrower acknowledge and agree that such renewal, amendment, modification, rearrangement or extension (if applicable) shall in no manner affect or impair the Note or liens and security interests securing same, the purpose of this Agreement being simply to modify, amend rearrange or extend (if applicable) the time and the manner of payment of the Note and indebtedness evidenced thereby, and to carry forward all liens and security interests securing the Note, which are expressly acknowledged by Borrower to be valid and subsisting, and in full force and effect so as to fully secure the payment of the Note.

6. If all or any part of the Property or any interest in it is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by applicable law. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower. For purposes of this paragraph, "interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales' contract or escrow agreement, the intent of which is transfer of title by Borrower at a future date to a purchaser.

7. As amended hereby, the provisions of the Note and Security Instrument shall continue in full force and effect, and the Borrower acknowledges and reaffirms Borrower's liability to Lender thereunder. In the event of any inconsistency between this Agreement and the terms of the Note and Security Instrument, this Agreement shall govern. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement, including but not limited to, in the case of the Borrower, the obligation to pay items such as taxes, insurance premiums or escrow items, as applicable. Any default by Borrower in the performance of its obligations herein contained shall constitute a default under the Note and Security Instrument, and shall allow Lender to exercise all of its remedies set forth in said Security Instrument.

8. Lender does not, by its execution of this Agreement, waive any rights it may have against any person not a party hereto. This Agreement may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same Agreement. EACH OF THE BORROWER AND THE LENDER ACKNOWLEDGE THAT NO REPRESENTATIONS, AGREEMENTS OR PROMISES WERE MADE BY THE OTHER PARTY OR ANY OF ITS REPRESENTATIVES OTHER THAN THOSE REPRESENTATIONS, AGREEMENTS OR PROMISES SPECIFICALLY CONTAINED HEREIN. THIS AGREEMENT, AND THE NOTE AND SECURITY INSTRUMENT (AS AMENDED HEREBY) SETS FORTH

THE ENTIRE UNDERSTANDING BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

Executed effective as of the day and year first above written.

FIXED RATE LOAN MODIFICATION AGREEMENT

This Loan Modification Agreement ("Agreement") made this October 1, 2009 ("Effective Date") between RICHARD D RODE BARBARA RODE ("Borrower") and Homecomings Financial, LLC ("Lender"), amends and supplements that certain promissory note ("Note") dated March 18, 2003 in the original principal sum of Two Hundred Sixty Five Thousand One Hundred Seventy Five Dollars and No Cents (\$ 265,175.00) executed by Borrower. The Note is secured by a Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument"), dated the same date as the Note, and if applicable, recorded on with Instrument Number in Book and/or Page Number of the real property records of HARRIS County, TX. Said Security Instrument covers the real and personal property described in such Security Instrument (the "Property") located at 2301 WEST LAW THER LANE DEER PARK TX 77536, which real property is more particularly described as follows:

(Legal Description – Attach as Exhibit if Recording Agreement)

Borrower acknowledges that Lender is the legal holder and the owner of the Note and Security Instrument and further acknowledges that if Lender transfers the Note, as amended by this Agreement, the transferee shall be the "Lender" as defined in this Agreement.

Borrower has requested, and Lender has agreed, to extend or rearrange the time and manner of payment of the Note and to extend and carry forward the lien(s) on the Property whether or not created by the Security Instrument.

Now, therefore, in consideration of the mutual promises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. Borrower acknowledges that as of the Effective Date, the amount payable under the Note and secured by the Security Instrument (the "Principal Balance") is One Hundred Ninety Two Thousand Four Hundred Eighty Dollars and Eighty Four Cents (\$ 192,480.84). Borrower hereby renews and extends such indebtedness and promises to pay jointly and severally to the order of Lender the Principal Balance, consisting of the amount(s) loaned to Borrower by Lender and any accrued but unpaid interest capitalized to date.

2. Interest will be charged on the unpaid Principal Balance until the full amount of principal has been paid. Borrower will pay interest at the rate of 5.00000% per year from the Effective Date.

3. Borrower promises to make monthly principal and interest payments of \$ 2,320.25, beginning on November 1, 2009, and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on April 1, 2018 (the "Maturity Date"), Borrower still owes amounts under the Note and Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date. Borrower will make such payments at 3451 Hammond Avenue, Waterloo, IA 50702 or at such other place as Lender may require. The amounts indicated in this paragraph do not include any required escrow payments for items such

as hazard insurance or property taxes; if such escrow payments are required the monthly payments will be higher and may change as the amounts required for escrow items change.

4. If Lender has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, Borrower will pay a late charge to Lender. The amount of the charge will be the late charge percentage provided for in the Note multiplied by the overdue payment of principal and interest required under this Agreement. Borrower will pay this late charge promptly but only once on each late payment. The late charge is not in lieu of any other remedy of Lender, including any default remedy.

5. It is the intention of the parties that all liens and security interests described in the Security Instrument are hereby renewed and extended (if the Maturity Date of the original Note has been changed) until the indebtedness evidenced by the Note and this Agreement has been fully paid. Lender and Borrower acknowledge and agree that such renewal, amendment, modification, rearrangement or extension (if applicable) shall in no manner affect or impair the Note or liens and security interests securing same, the purpose of this Agreement being simply to modify, amend rearrange or extend (if applicable) the time and the manner of payment of the Note and indebtedness evidenced thereby, and to carry forward all liens and security interests securing the Note, which are expressly acknowledged by Borrower to be valid and subsisting, and in full force and effect so as to fully secure the payment of the Note.

6. If all or any part of the Property or any interest in it is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by applicable law. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower. For purposes of this paragraph, "interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is transfer of title by Borrower at a future date to a purchaser.

7. As amended hereby, the provisions of the Note and Security Instrument shall continue in full force and effect, and the Borrower acknowledges and reaffirms Borrower's liability to Lender thereunder. In the event of any inconsistency between this Agreement and the terms of the Note and Security Instrument, this Agreement shall govern. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement, including but not limited to, in the case of the Borrower, the obligation to pay items such as taxes, insurance premiums or escrow items, as applicable. Any default by Borrower in the performance of its obligations herein contained shall constitute a default under the Note and Security Instrument, and shall allow Lender to exercise all of its remedies set forth in said Security Instrument.

8. Lender does not, by its execution of this Agreement, waive any rights it may have against any person not a party hereto. This Agreement may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same Agreement. EACH OF THE BORROWER AND THE LENDER ACKNOWLEDGE THAT NO REPRESENTATIONS, AGREEMENTS OR PROMISES WERE MADE BY THE OTHER PARTY OR ANY OF ITS REPRESENTATIVES OTHER THAN THOSE REPRESENTATIONS, AGREEMENTS OR PROMISES SPECIFICALLY CONTAINED HEREIN. THIS AGREEMENT, AND THE NOTE AND SECURITY INSTRUMENT (AS AMENDED HEREBY) SETS FORTH

THE ENTIRE UNDERSTANDING BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

Executed effective as of the day and year first above written.

RE: Account Number: [REDACTED] 1023
Mortgagor: Richard D. Rode
Property Address: 2301 West Lawther Lane, Deer Park, Texas, 77536

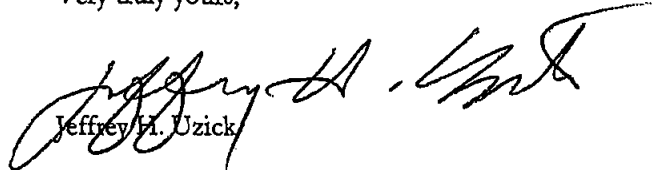

Dear Ms. Jungen:

Thank you for your letter of August 28th. I have reviewed, in detail, the payment history with my client and there are numerous problems with how Homecomings Financial applied payments. Additionally, attached is a true and correct copy of the Declaration Page indicating that the property was insured through Texas Farm Bureau from October 1, 2006, through October 1, 2007.

Please refund or apply the inappropriate charges posted to Mr. Rode's account for insurance coverage. Mr. Rode hereby agrees to the modification offered by GMAC Mortgage in the principal amount of \$192,480.84 with the agreed upon interest rate of 5.0% as reflected in the Fixed Rate Loan Modification Agreement. However, the package received by him still reflects his ex-wife's name on the documents. Please forward corrected documents that does not have Barbara Rode's name listed. Mr. Rode has previously sent a recorded Quit Claim Deed indicating that he is the sole owner of the property.

To reiterate, we will be expecting a loan modification package for Mr. Rode to complete. Payments under the Modification Agreement will begin on November 1, 2009, in the total amount of \$3,013.70 per month, reflecting principal and interest of \$2,320.25, and escrow for taxes in the amount of \$693.45. Once these documents are received and signed, please zero out his loan payment history from that day forward so that there will be no misunderstanding regarding any late fees, penalties, or other charges that were previously claimed, but disputed prior to that time. Enclosed is a check in the amount of \$3,025.00 that is not due until October 1st, but was requested by you in your letter to me of August 28th. Please apply this payment to the loan.

Very truly yours,

Jeffrey H. Uzick

Dear Jeffrey H Uzick:

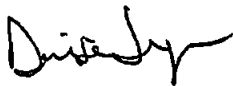

This is in response to the letter dated September 2, 2009 and September 18, 2009, received in our office September 8, 2009 and September 21, 2009, regarding the above-referenced account.

The insurance policy provided has been updated, the lapse from December 31, 2006 to September 21, 2007 has been canceled and a refund in the amount of \$4,686.00 will be returned to escrow. There is still a lapse from April 15, 2008 to July 11, 2008, this is a lapse charge of \$601.00.

The funds of \$3,025.00 have been received and I have confirmed with our Loss Mitigation Department the modification is 5% fixed. Beginning November 1, 2009 payment will be \$3,013.70 (\$2,320.25 principal and interest and \$693.45 escrow). However, we do need to receive the notarized modification documents back. I apologize, we are not able to send without the ex-wife's name, the quit claim deed does allow us to proceed with the modification without her signature.

If I can be of further assistance, please contact me at 1-800-766-4622 extension 2365387 or direct at 319-236-5387.

FIXED RATE LOAN MODIFICATION AGREEMENT

This Loan Modification Agreement ("Agreement") made this October 1, 2009 ("Effective Date") between RICHARD D RODE BARBARA RODE ("Borrower") and Homecomings Financial, LLC ("Lender"), amends and supplements that certain promissory note ("Note") dated March 18, 2003 in the original principal sum of Two Hundred Sixty Five Thousand One Hundred Seventy Five Dollars and No Cents (\$ 265,175.00) executed by Borrower. The Note is secured by a Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument"), dated the same date as the Note, and if applicable, recorded on with Instrument Number in Book and/or Page Number of the real property records of HARRIS County, TX. Said Security Instrument covers the real and personal property described in such Security Instrument (the "Property") located at 2301 WEST LAWTHUR LANE DEER PARK TX 77536, which real property is more particularly described as follows:

(Legal Description – Attach as Exhibit if Recording Agreement)

Borrower acknowledges that Lender is the legal holder and the owner of the Note and Security Instrument and further acknowledges that if Lender transfers the Note, as amended by this Agreement, the transferee shall be the "Lender" as defined in this Agreement.

Borrower has requested, and Lender has agreed, to extend or rearrange the time and manner of payment of the Note and to extend and carry forward the lien(s) on the Property whether or not created by the Security Instrument.

Now, therefore, in consideration of the mutual promises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. Borrower acknowledges that as of the Effective Date, the amount payable under the Note and secured by the Security Instrument (the "Principal Balance") is One Hundred Ninety Two Thousand Four Hundred Eighty Dollars and Eighty Four Cents (\$ 192,480.84). Borrower hereby renews and extends such indebtedness and promises to pay jointly and severally to the order of Lender the Principal Balance, consisting of the amount(s) loaned to Borrower by Lender and any accrued but unpaid interest capitalized to date.

2. Interest will be charged on the unpaid Principal Balance until the full amount of principal has been paid. Borrower will pay interest at the rate of 5.000000% per year from the Effective Date.

3. Borrower promises to make monthly principal and interest payments of \$ 2,320.25, beginning on November 1, 2009, and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on April 1, 2018 (the "Maturity Date"), Borrower still owes amounts under the Note and Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date. Borrower will make such payments at 3451 Hammond Avenue, Waterloo, IA 50702 or at such other place as Lender may require. The amounts indicated in this paragraph do not include any required escrow payments for items such

as hazard insurance or property taxes; if such escrow payments are required the monthly payments will be higher and may change as the amounts required for escrow items change.

4. If Lender has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, Borrower will pay a late charge to Lender. The amount of the charge will be the late charge percentage provided for in the Note multiplied by the overdue payment of principal and interest required under this Agreement. Borrower will pay this late charge promptly but only once on each late payment. The late charge is not in lieu of any other remedy of Lender, including any default remedy.

5. It is the intention of the parties that all liens and security interests described in the Security Instrument are hereby renewed and extended (if the Maturity Date of the original Note has been changed) until the indebtedness evidenced by the Note and this Agreement has been fully paid. Lender and Borrower acknowledge and agree that such renewal, amendment, modification, rearrangement or extension (if applicable) shall in no manner affect or impair the Note or liens and security interests securing same, the purpose of this Agreement being simply to modify, amend rearrange or extend (if applicable) the time and the manner of payment of the Note and indebtedness evidenced thereby, and to carry forward all liens and security interests securing the Note, which are expressly acknowledged by Borrower to be valid and subsisting, and in full force and effect so as to fully secure the payment of the Note.

6. If all or any part of the Property or any interest in it is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by applicable law. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower. For purposes of this paragraph, "interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is transfer of title by Borrower at a future date to a purchaser.

7. As amended hereby, the provisions of the Note and Security Instrument shall continue in full force and effect, and the Borrower acknowledges and reaffirms Borrower's liability to Lender thereunder. In the event of any inconsistency between this Agreement and the terms of the Note and Security Instrument, this Agreement shall govern. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement, including but not limited to, in the case of the Borrower, the obligation to pay items such as taxes, insurance premiums or escrow items, as applicable. Any default by Borrower in the performance of its obligations herein contained shall constitute a default under the Note and Security Instrument, and shall allow Lender to exercise all of its remedies set forth in said Security Instrument.

8. Lender does not, by its execution of this Agreement, waive any rights it may have against any person not a party hereto. This Agreement may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same Agreement. EACH OF THE BORROWER AND THE LENDER ACKNOWLEDGE THAT NO REPRESENTATIONS, AGREEMENTS OR PROMISES WERE MADE BY THE OTHER PARTY OR ANY OF ITS REPRESENTATIVES OTHER THAN THOSE REPRESENTATIONS, AGREEMENTS OR PROMISES SPECIFICALLY CONTAINED HEREIN. THIS AGREEMENT, AND THE NOTE AND SECURITY INSTRUMENT (AS AMENDED HEREBY) SETS FORTH

THE ENTIRE UNDERSTANDING BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

Executed effective as of the day and year first above written.

RE: Account Number: [REDACTED] 1023
Mortgagor: Richard D. Rode
Property Address: 2301 West Lawther Lane, Deer Park, Texas, 77536

Dear Ms. Jungen:

My client, Richard Rode, nor I, have yet to receive the completely-signed copy of the Fixed Rate Loan Modification Agreement in the above-referenced matter. Mr. Rode is ready to make the requested payment of \$3,013.70 on November 1st, per that Agreement, but there is concern as to how GMAC will be applying that payment considering the recent activity listed on the October 19th statement. That statement lists several items that do not explain where funds from escrow are being applied. For example, \$10,000.00 taken from escrow on 10-19 and applied to "Other" or "PD LN MOD CAP FNDS" and \$83.00 applied to "Other" or "PD CORP ADV 3 DRM", along with various other "Fee Paid" items.

Please reply as soon as possible to our request for an accounting of the recent escrow withdrawals and fees contributed to this account, along with the fully-executed Fixed Rate Loan Modification Agreement in time for Mr. Rode to make his November 1st payment timely, as agreed.

Very truly yours,

Jeffrey H. Uzick

Dear Ms. Jungen:

This is yet another letter reminding you that we are ready, willing and able to make the payment that is due on November 1st, but my clients will not do so unless I receive (1) confirmation that this modification has been finalized; and (2) that the payments are being properly applied. The October 19th statement is inaccurate, as it reads, for example, that \$10,000.00 was applied to "Other".

Please contact me or Dee Rode at the number above immediately to solve this continuing problem.

You have previously been advised by letter dated 7/16/2009, of certain defaults under the Note or Deed of Trust and informed of the intent to accelerate the maturity date of the Note if defaults therein were not cured within the specified time period. Because of defaults in complying with the terms and provisions of the Note and Deed of Trust, notice is hereby given that the present legal holder of the Note HAS ACCELERATED THE MATURITY DATE OF THE NOTE. As a result of such acceleration, the entire unpaid principal balance of the Note and all accrued interest and all other sums lawfully owing on the Note or under the Deed of Trust are now due and payable and demand is hereby made for the immediate payment in full of all such sums. As of 3/11/2010, the total amount due is \$201,878.04.

YOU WILL, THEREFORE, TAKE NOTICE that, pursuant to Section 51.002 of the Texas Property Code, a Notice of Substitute Trustee's Sale (the "Notice") will be posted at the courthouse door of Harris County, Texas, and a copy of the Notice will be filed in the office of the County Clerk of Harris County, Texas. As of 3/11/2010, the amount necessary for you to pay in order to cure the existing defaults and reinstate your loan is \$55,599.78.

In the event the subject property is sold at foreclosure for an amount not sufficient to satisfy the entire unpaid balance of the Note plus accrued but unpaid interest thereon plus escrow charges, late charges, default interest, trustee's fees, attorney's fees, and expenses incurred in connection with the foreclosure, you may be liable for the deficiency.

Dear Mr. Gamez:

My client, Richard D. Rode, is in receipt of the Notice of Substitute Trustee's Sale. Please be advised that unless this Notice is removed immediately, a lawsuit will be instituted seeking an injunction for wrongful posting and foreclosure, along with other damages my client has suffered and will suffer because of such wrongful posting and foreclosure.

This matter was negotiated some time ago between my client and GMAC Mortgage. Attached are letters reflecting such agreements to modify the existing loan. Your clients have never sent the modification agreements that were promised to my client, yet their own correspondence confirms the agreement. Please contact me upon receipt of this letter to discuss your client's agreement and their failure to honor that agreement. If we do not hear from you within seven (7) days, a lawsuit will be instituted seeking any and all damages, a temporary restraining order, and temporary injunction, along with all attorneys' fees incurred in enforcing the agreement reached by your client.

Very truly yours,

Jeffrey H. Uzick
